

# The Mountain Advocate.

NEW SERIES: VOLUME 10; No. 13

BARBOURVILLE, KY., FRIDAY, JANUARY 30, 1920

ONE DOLLAR AND FIFTY CENTS A YEAR IN ADVANCE

## 27 TOWNS MAY GET ROAD PREFERENCE

FRANKFORT, KY., Jan. 24 — Twenty-seven Kentucky cities and towns are designated as commercial centers in committee amendments to the House highway bill, introduced at the instance of the administration Roads radiating from these points would receive first consideration in constructing the highway system.

The centers are: Louisville, Hopkinsville, Lexington, London, Madisonville, Maysville, Morehead, Owensboro, Pikeville, Pineville, Ashland, Bardstown, Beattyville, Covington, Clinton, Cynthiana, Danville, Frankfort, Glassgow, Hazard, Paducah, Richmond, Russellville, Somerset, Vanceburg, West Liberty and Williamsonstown.

The bill was sponsored in the House by Representative E. G. Smith, of Albany, and in the Senate by Senator White L. Moss, of Pineville.—Louisville Herald.

## WOMANS STUDY CLUB

The Woman's Study Club met with Mrs. C. F. Heidrick Tuesday afternoon, January 20. Fifteen members answered roll call by offering suggestions, "what we can do to improve our city." Mrs. Walter Nickleson, of Knoxville, Tenn. and Mrs. Robert Caudill, of Oklahoma, were guests of the Club.

The treasurer reported that \$25 of Christmas Seals were bought by the Club and check for same sent to Dr. J. S. Lock at Louisville. Ten books were pledged to the Greendale Home for boys at Greendale, Ky. a State institution managed by Mrs. Charles Weaver of Louisville and of which Mrs. Weaver has recently been named matron by Governor Morrow. The Club voted unanimously to invite the 11th District of Federated Women's Clubs to meet in this city the last of April. The secretary was instructed to communicate with the secretary of the Civic League inviting their co-operation. The program as announced in last week's paper was splendidly given.

Mrs. James Golden Secretary.

## HIGH SCHOOL SEWING CLUB

The High School Sewing Club met at the home of Mrs. E. V. Bargo Tuesday, Jan. 21st. An enjoyable time was spent. Those present were Mrs. Lulu B. Smith, Miss Myra Amis, Miss Gladys Johnson, Miss Zella Pelly, Miss Bertha King, Miss Jones, Miss Johns, Miss Trabe, Miss Clara Campbell, Miss Ethel Campbell.

The club meets next week with Miss Myra Amis.

## AT THE CHRISTIAN CHURCH

Sunday, February 1st. Bible School at 9:45 a. m. Every man of the Men's Bible Class is urged to be present. Some former members of the class who have been out of the city have promised to come.

The usual services at 10:50. Sermon Subject: "The Place of the Word," the third in a series on being conformed in the image of Christ. No announcement as yet concerning the evening service.

Thos. J. Belcher, Minister.

## OIL NEWS

The well brought in on the Los Myers place on Little Richland, three miles north of town is giving a daily production of six barrels of first class oil.

The National Oil and Gas Company, of Nashville, Tenn., has its drilling machine on the ground and will test out the Chadwell and Hammons place on Little Richland. This will be a deep well.

The Main Oil and Refining Company registered at the Court House Monday and will do deep drilling on Stinking Creek and Fighting Creek.

Charlie Main and Thos. D. Tinsley returned from Atlanta, Ga. Monday after putting thru a deal for oil acreage at the junction of Clay and Knox Counties.

The three wells on the Hampton place, the leases of which are owned by John C. Main, gave him a pleasant shock this week. It was found the pumps were pumping out of the tube and on being lowered a few feet, the three wells gave a production of fifty barrels a day with every prospect of improving. These wells are one mile south of town in an entirely new field.

The Associated Producers had reached the Epperson sand on their Stinking Creek lease Friday, the same being 800 to 815 feet down. They got gas and a fine showing of oil, but this was cased off and the well is proceeding down toward the earth's center. If no accidents occur, this well may go as low as 3,500 feet to really test out the territory. The property is owned by E. J. Wyrick who has 1,5000 acres under lease. A 12 inch hole was started.

Spring will see some big development work over most of Knox Co.

The Silver Star Oil Co., of Bartlesville, Okla., is said to have acquired some very promising leases out in the Bailey Switch section. A. B. Disney acting for them. This is exceedingly good territory in the opinion of good judges as there are already a number of shallow wells all thru the territory. The Silver star people are said to be getting ready to drill a 3,500 foot hole and we believe the chances of making a big strike are excellent. Should this territory prove up, it will further strengthen the belief that the King and Mackey Bend section will give fine wells. Leases are already being taken up there.

## WHY NOT?

If we cannot have a Business Men's League in Barbourville, the live wires can get together once a month at the Jones Hotel, eat the regular dinner and later talk over town improvement or what not. The Advocate is at your disposal for progress.

If you don't work for city and county betterment, no one else will. We can get Extension speakers to tell us what we most need. Let's get together and do something.

The Mountain Advocate, \$1.50 a yr.

## REPUBLICAN MEETING TOMORROW

John Catron, County chairman of the Republican party of Knox Co. will go to Corbin, Saturday to meet the District Committee which will set the time and place for holding a District Convention to select two delegates to represent the party at the Chicago Convention which will select a candidate for President. J. M. Tinsley will also attend.

At this meeting a District Chairman will be elected, the Hon. Chas. Finley being the only applicant. It is presumed he will be elected without opposition.

## CANNEL COAL DISPLAY

E. J. Wyrick has on display at the Jones Hotel a block of cannel coal which measures 32X20 and weighs 400 pounds. This coal runs under 1,500 acres of his property on Stinking Creek and is taken out at 100 feet above the branch level. The property contains three other workable seams, running 42 inches, 30 inches and 72 inches. Cannel coal is now used for the manufacture of coal tars from which dyes are made and valuable oils produced. Mr. Wyrick holds this property, which lies from four to six miles from the railroad, the route for which is good, at \$100 per acre. There has been much development of our coal in the last few years, but the opportunities are still wonderful.

## REVIVAL MEETINGS AT THE BAPTIST CHURCH

A series of Revival Meetings conducted by W. L. Brock, evangelist, and James Elsie, singer, will begin at the Baptist Church Sunday, Feb. 8th. Brother Brock is so well known in Kentucky as a preacher of power that he needs no introduction. Brother Elsie has the reputation of being one of the very best leaders in congregational singing.

Come to the Church Sunday and Sunday night and get ready for the great work that is to be done.

Sunday School at 9:45 a. m. Sermon at 11 a. m. B. Y. P. U. at 6:15 p. m. Sermon at 7 p. m.

Prayer meeting and Bible Study class Wednesday at 7 p. m.

## MRS. MAUD MARCUM RECEIVES APPOINTMENT

The many friends of Mrs. Maud Tinsley Marcum will learn with pleasure that she has been appointed Assistant Librarian at Frankfort by a majority of nine, one being a Democrat.

Mrs. Marcum is president of the Women's Study Club and has made the study of literature one of her hobbies and is therefore eminently qualified for the position to which she is called.

The only fly in the ointment is that we are to lose Mrs. Marcum from Barbourville in the advancement of which she has taken the warmest interest.

## CLARENCE LEWALLEN RESIGNS

Clarence D. Lewallen, who has been with the firm of A. W. Hopper for about three years, has resigned to accept a more lucrative position Kettle Island.

The patrons of the store as well as the proprietor, regret to see him leave, but you may bet he will make good, following the custom of all the young men who have trained under A. W. at the old original "Big Cheap Candy Store."

## PRESBYTERIAN LADIES AID

The Presbyterian Ladies Aid met with Mrs. R. B. Minton on Friday afternoon, January 23rd, with a good attendance in spite of the very rainy day. Mrs. Burnside led the devotions after which several matters of business were attended to. Mrs. Ernest Cannon was elected as Treasurer to fill out the unexpired term. A Valentine Food Sale will be held Saturday, Feb. 14th, when all kinds of good eats will be on sale at reasonable prices—made by some of the best cooks in town.

A delightful social hour was passed and the hostess served a salad course. The next meeting will be held with Mrs. Ed Garrard on Allison Avenue.

Mountain Advocate \$1.50 per year.

## THAT CANNERY

The Editor of The Mountain Advocate has been working for a cannery for Barbourville and recently received an offer to put up a cannery if one hundred acres of tomatoes could be secured at \$15.00 per ton. A copy of the contract was forwarded for signature, but before committing our farmer friends to this price, we wrote to Congressman J. W. Robison and to the extension Department, Frankfort, to get the price paid by canneries.

As will be seen by the letters below, the Department of Agriculture reports prices ranging from \$25 to \$20.00 while the average for Kentucky last year was \$18.00.

The editor has written the canning concern to see if they will come up on their price before proceeding further. If they will the editor will personally stand the bill for printing contracts and so what can be done. A cannery would open up a new source of revenue for Knox County.

My dear Editor:

I have just talked with the Department of Agriculture relative to a fair price for tomatoes. They state that \$15.00 per ton, in their opinion, is a very low price and that they think \$20.00 to \$25.00 would be a fair price the coming year. Also state that they weigh from 32 to 35 pounds a bushel, according to railroad estimates.

Now if there is any other information you wish or any bulletins you want from the Department of Agriculture let me know and I will take pleasure in sending it to you.

With best wishes, I remain,

Your friend,

J. M. Robison.

My dear Sir:

Your letter of the 17th, addressed to the President, has been referred to me for reply.

The price that is offered per ton for tomatoes is somewhat lower than the price paid by canneries during the past year. The average price during the past year was \$18 per ton, the lowest price being \$14 per ton. We do not know what price is contemplated for 1920. Contracts will soon be made, however, and I shall ask our horticulturist to secure this information and forward it to you.

There have been very few country creameries established in Kentucky. A large part of the cream produced is going to the various centralized plants and there has been a considerable development of cream buying stations. It is possible that the number of cows in your section is too small for a creamery to operate profitably and that what you need is a good cream buying station. It is generally figured that the milk from 500 to 700 cows should be available in order that a creamery may operate efficiently and economically. A cheese factory may operate with a smaller number of cows. In the event that you are interested in this matter, I shall be glad to send our specialist in dairy manufactures to Barbourville to discuss the situation and give first hand information.

I also note that you are interested in fruit production. We will be very glad to send a man from the Agricultural College to talk on fruit and vegetable production and another man to talk upon sheep and other live stock. These services are free and may be had upon request.

Yours very truly,

Thomas Cooper, Dean and Director.

## DEATON-SMITH POST 69 STARTS MEMBERSHIP DRIVE FEB. 1ST

The first general meeting of Deaton-Smith Post No. 69 will be held Saturday, Jan. 31, at 7 p. m. at the office of Dr. Leslie Logan, Post Commander. Each member is urged to be present and bring an applicant. Membership cards and the button of the American Legion will be distributed on this occasion. Plans looking for the advancement of the organization will be made.

An opportunity is to be given the mothers, sisters, daughters and wives of veterans to associate themselves and it is hoped they will see that the boys line up with the Legion at once.

Get in step. Wear your button. The motto "For God and Country" means success in life and death and it means that Old Glory will continue to stand for Truth, Righteousness and Justice the world over.

Subscribe for the Advocate.

## GEORGE (DAD) HAMMONS REPORTED WOUNDED

On Tuesday Levi Lee and Fletcher Dozier went after George (Dad) Hammons, who lives on Richland with his sister, Mrs. Hurst, on the charge of disturbing public worship and drawing a gun on Squire Martin when he attempted to arrest him. Hammons appears to have resisted arrest and shooting followed. Hammons escaping to the woods, with the deputies firing after him.

Later, following receipt of a telephone message, which spread the false report that Levi Lee had been killed, Sheriff Read P. Black, J. R. Jones, Bill Hinkle, Bill Johnson, Bert Catron and J. H. Jones went out to the scene but were unable to locate Hammons who had taken to the woods.

His sister, Mrs. Hurst, reported to the officers that Hammons had been shot in the arm.

## BANQUET

Monday evening, January 26, the Freshman Class of Union College entertained at a banquet given in honor of the Senior Class. The parlor of Speed Hall was beautifully decorated in the Senior Class colors, rose and green.

Places were laid for the members of both classes and several visitors. In the early part of the evening the company played games. The prizes were won by Aubrey Guyn and David Stansbury. After dinner marshmallows were toasted over the candles on the tables.

Those present were Misses Nelle Jones, Anna Sloan, and Dows Sampson and Mr. Aubrey Guyn as guests of honor. The Freshmen are Misses Thelma Moorehead, Thelma Sloan, Reda Fish, Lillian Jackson, Marjorie Brown, Idamae Smith, Efrida Jasper, Celia Carr, Marion Adams, Anna Lee, and Messrs. Harold Parker, Horace Barker, Allan Tuggle, Boone Smith, David Stansbury, Jack McClelland, Robert Blair, David Archibald and Harold Miller. Miss Weeks, guardian of the Freshman Class, acted as chaperone.

## CLUB ANNOUNCEMENT

Miss Nola Minton will be hostess to the Woman's Study Club on Tuesday afternoon, February 3, at 2:30 o'clock.

Mrs. L. L. Richardson is chairman for the afternoon. The program as arranged by her is as follows:—

Roll call, responded to by describing one of the world's beautiful buildings and tell where it is located "Development of Early English Art" Mrs. J. D. Tuggle. "Improvement of Towns and Cities," Mrs. Marcum. "Last Decade of English Art," Mrs. Richardson.

The Club is expecting Mrs. J. E. Sampson, District Chairman, to be its guest on this occasion.

Mrs. J. A. McDermott, Chairman Press Committee.

## OIL MEN ATTENTION

Oil and Gas Leases in any quantity desired at the Mountain Advocate Office.

## OUR FLOODS

Speaking on the undesirable floods which visit Barbourville once or twice a year, flood our farms, drive people out of their homes and put a black eye on many lots which would otherwise be desirable for homes or possible factory sites, Mr. John A. Black affirms that by cutting a canal thru above the cemetery, at a cost of probably \$200,000 the floods could be averted. We are not sufficiently versed in engineering to know how this scheme would work, but it would prove an excellent thing if this detraction to the city could be done away with.

## FLU HITS BARBOURVILLE

Dr. G. H. Albright asks the Advocate to announce that there are two cases of flu at the Barbourville Baptist Institute with a third possible case. He warns people who have colds or feel sick to stay home until it is determined whether they have flu. Avoid crowds, avoid people who have colds, sleep with open windows and call a doctor as soon as any suspicious symptoms arise.

## UNION COLLEGE NOTES

Last Friday night Maryville College, Maryville, Tenn., played our boys on our floor and won by five points but the game was well fought and we feel very, very proud of the "Eagles."

Mr. Harper, the Y. M. C. A. Secretary for this section visited chapel one morning last week and gave us a very helpful talk. The purpose of his visit was to organize a Y. M. C. A. in Union College.

Mr. Bart Reid and Mr. Robert W. Cole were chapel visitors last Thursday, both speaking on "Thrift."

Midge Brown has recovered from the mumps and will be back at work soon.

Collie Franklin was in Winchester last week on business.

Miss Jettie Stratton spent the week end in Corbin.

Mr. Daugh Smith, one of our Academy seniors, went to Norton Infirmary Monday night where he will undergo an operation for appendicitis. Dr. Tye accompanied him. Daugh is one of our "pure gold" men and we are all wishing for him a speedy recovery and return to us.

Tuesday morning some of the members of the Board of Education which was holding its Annual Meeting in Barbourville, visited chapel. Each one had a funny speech in his system so President Franklin gave the chapel hour to them. At the close of chapel, Rev. Horrup, who is so full of patriotism for Union had the student body yelling themselves hoarse for everything and everybody on the campus.

Monday afternoon a game of basketball was played between the City High School and our second team, Union winning by a good score.

Watch the home "ads" in the Advocate and buy at home.

**Our Bank is a National Bank.**  
**Let US take care of your money.**

Start your bank account with us today, we have more than 2500 depositors. Deposits more than half million dollars.

**The National Bank of John A. Black**

**Have You Ever Been Able to Save?**  
**Try Putting Away A Quarter A Week**

"I can't save" a young man said a few months ago.  
"Have you really tried?" he was asked.  
"Oh yes, but somehow I can't make any headway. I get a little ahead and then—oh well, it just slips thru my fingers" he confessed.

That is the way with many of us. But that young man is saving now. He is saving REGULARLY.

He tried this plan. It was hard, but he began by saving a quarter a week. Dees'nt sound big, does it?

But quarters make dollars. It was not the quarters which amounted to so much. It was the habit which was growing on him. Then he began increasing the amount. He has not raised it so much—just two dollars a week, but he is saving regularly and has already saved \$50.00.

\$1.00 will start an account.

We will borrow all the money you will save systematically just as this boy did, or the government will sell you War Savings Stamps for your savings, and there is no better investment.

**FIRST NATIONAL BANK**

BARBOURVILLE, KENTUCKY

CAPITAL STOCK PAID IN FULL \$50,000.00  
SURPLUS AND NET PROFITS \$30,000.00

bourville, Ky., as second-class mail  
matter.

OFFICIAL ORGAN OF THE RE-  
PUBLICAN PARTY IN  
KNOX COUNTY

## SUBSCRIPTION RATES

(Strictly in advance)

One Year ..... \$1.50  
Six Months ..... \$0.75

Any items intended for publication  
should reach this office not later  
than Wednesday or we will be forced  
to carry it over for the coming week.

## HOW ABOUT IT?

Mr. Real Estate Man, Merchant,  
Banker, Lawyer, Farmer, etcetera,  
what about getting together and  
starting a Knox County U. S. Farm  
Loan Association? Let us try to de-  
velop the and not sit and think or  
just sit. Let The Advocate know  
and we will publish a list of those  
who favor the scheme. Someone  
must make a move. Movement is  
life, the lack of it decay.

## MR. FARMER

We wish to call your attention to  
the Shorthorn bull advertising of  
M. B. Arbuckle, of Richmond, Ky.,  
which also appears elsewhere in The  
Advocate. Last spring he shipped  
four good Shorthorns to Clay Coun-  
ty and could not supply further de-  
mand. Last fall a six weeks calf,  
by his bull out of a scrub cow  
brought \$26 at the butchers. Six  
months old calves out of mountain  
cows are bringing \$50 to \$58. Jer-  
seys produce good calves by these  
bulls. Write Mr. Arbuckle at once  
should you need a good bull.

## PROCLAMATION

No greater problem can engage  
our serious attention than that of  
conserving the boy life of our State  
and Nation; and there has never  
been a time in our history when the  
need of this conservation was more  
apparent than today. Therefore, I,  
Edwin P. Morrow, Governor of the  
State of Kentucky, in the hope of  
arousing the men of the State to a  
sense of their responsibility toward  
their own boys and the boys of their  
community, and the further hope  
of strengthening the ties that ought  
to bind fathers and sons together  
in good fellowship, do issue his pro-  
clamation, and I request that the  
week from February 16th to 22nd  
be set apart as

## FATHER AND SON WEEK

I earnestly urge that such special  
observances as have been planned by  
the churches, the Y. M. C. A., and  
other organizations may receive the  
patriotic support of all of our citi-  
zens.

IN TESTIMONY WHEREOF, I  
have hereunto subscribed my name  
and caused the Great Seal of the  
State of Kentucky to be affixed in  
the City of Frankfort, this 22nd  
day of December, in the year of our  
Lord, one thousand nine hundred  
and nineteen.

Edwin P. Morrow, Governor.

1st, 15th, 29th, at 11 A. M. and  
7 P. M.  
Next Sabbath, Feb. 1st, Preaching  
Reception of members and Special  
music.

## BETTER DISTRIBUTION

### OF NATIONAL BANKS

The decentralization of the coun-  
try's banking power, formerly so  
largely concentrated in a few large  
cities, is vividly indicated in an  
analysis which has just been com-  
pleted relative to the geographical  
location at this time of the country's  
120 biggest National Banks. The  
list includes all National Banks  
whose Resources on November 17,  
1919, amounted to \$25,000,000 or  
more.

The statement referred to also il-  
lustrates the astounding growth  
which has taken place in the coun-  
try's banking power in the past  
twenty years, or since 1899. On  
September 7, 1899, there were 19  
National Banks in the United States  
having resources of as much as \$25,  
000,000 each; and of these 19 banks  
14, or 74 per cent, were located in  
New York City, one in Boston one  
in Philadelphia, two in Chicago and  
one in St. Louis.

On November 17, 1919, there were  
120 National Banks having Re-  
sources of more than \$25,000,000;  
of these, twenty-five, or less than 21  
per cent, as compared with 74 per  
cent in 1899, were located in New  
York State (all of the 74 per cent  
in the latter year, being in New York  
City); 17 of the biggest banks now  
being in Pennsylvania; 9 in Cali-  
fornia; 9 each in Illinois, Missouri  
and Texas; 6 in Virginia; 5 each in  
Massachusetts, Minnesota and Ohio;  
3 each in Colorado and Oregon; 2  
each in Georgia, Indiana, Maryland,  
Michigan, Nebraska, New Jersey and  
Washington; and 1 each in Alabama,  
District of Columbia, Kentucky,  
Louisiana, Oklahoma, Tennessee and  
Wisconsin.

## MARRIAGE LICENSES

John P. Shelby, Siler, and Miss  
Mary Taubee, Emanuel.  
George Powell and Nannie Bell  
Stanberry, Knox Fork.  
James M. Lester and Amanda  
Messer, DeWitt.

C. C. Smith, of the firm of Smith  
and Riley, reports they are able to  
sell at the government price all the  
coal they can get hold of and an-  
ticipates a fair demand all the winter.

**It Helps!**  
There can be no doubt  
as to the merit of Cardui,  
the woman's tonic, in  
the treatment of many  
troubles peculiar to  
women. The thousands  
of women who have been  
helped by Cardui in the  
past 40 years is con-  
clusive proof that it is a  
good medicine for women  
who suffer. It should  
help you, too.

## Take CARDUI

**The Woman's Tonic**  
Mrs. N. E. Varner, of  
Hixson, Tenn., writes:  
"I was passing through  
the ... My back and  
sides were terrible, and  
my suffering indescrib-  
able. I can't tell just how  
and where I hurt, about  
all over. I think ... I  
began Cardui, and my  
pains grew less and less,  
until I was cured. I am  
remarkably strong for a  
woman 64 years of age.  
I do all my housework."  
Try Cardui, today. E-76

## LINDSAY NEWS

We have had a large back water  
tide at this place and on Sunday the  
young men amused themselves boat  
riding. They reported a good time.

George King was the guest of Jim  
and Perry Rose Saturday afternoon.

Mrs. Lee Ora Campbell was the  
guest of Mrs. C. L. Heath last Fri-  
day.

John Campbell, of Providence,  
was the guest of his father, Joe  
Campbell, last week.

D. W. King went to Barbourville  
last Tuesday.

George Engle is very ill.

Charley Campbell went to Bar-  
bourville last Tuesday.

Mrs. C. L. Heath was the guest of  
Mr. and Mrs. Joe Campbell last Sat-  
urday.

Charlie Campbell has been build-  
ing a new crib.

Mrs. Leander Campbell is very  
sick at this writing.

BH Warfield is making a new  
basket.

John Farmer attended church at  
Mackey Bend Sunday.

Miss Ethel Campbell was the  
guest of her aunt, Mrs. Jess Camp-  
bell Saturday and Sunday.

Mrs. William Grant, widow, died  
January 21 and was buried on the  
23rd.

J. H. King visited Elijah and  
James McNeil of Swan Lake Sunday.

George Campbell and John Farmer  
have made a horse and mule deal.

Robert Prichard, who ran away  
from home, has returned.

C. F. King was the guest of Char-  
lie Campbell Sunday afternoon.

## POINT PLEASANT:

**ITCH!**  
without question if Hunt's Salve  
falls in the treatment of Eczema,

# The Year 1920 Will Be One Fraught With Momentous Making Of History

In the libraries of the future, the historical volumes, marked 1920, will deal with  
a critical period of the world's history.

The whole world is now in a frenzy of discontent. In the old world new parties  
wit' new policies, each striving for control, are walking hand in hand with the  
spectre of distrust, where they are not already dying in the flame of fratricidal  
war.

In the United States profiteering has become a science, all sense of value is gone,  
Bolshevism is raising its vicious head, and labor and capital, by passing the buck,  
each to the other, are leaving the middle class bearing the brunt of the burden.

It is a critical period through which this world is passing, and one that demands  
the whole-souled interest of every thinking man and woman in this world.

You can not perform your duties as a citizen of this country unless you think  
right; you can not think right unless you are fully informed; you can not be fully  
informed unless you read a daily newspaper.

As a citizen, and as a voter, you wish to vote intelligently. You wish to know  
what the leaders of the big political parties are offering as the panacea of this  
present condition. In order to perform this duty intelligently, you must have  
access to the news as it is published day by day.

Granted that it is your duty to read a daily newspaper, it is also your duty to  
read the paper that will give you the most news, particularly when its cost is  
the same as the others.

The Louisville Herald has the largest circulation of any morning newspaper in  
Kentucky, and as all Louisville newspapers are sold at the same price, this is  
self-evident proof that it is considered the best paper by the most people.

The Louisville Herald, gives you all the news from the Associated Press, that  
wonderful news gathering organization, which covers the entire world with its  
list of correspondents; in addition it gives you all the news from Europe that is  
gathered by the Universal News Service; this in addition to The Herald's own  
list of special correspondents and its editorial staff. No newspaper can give you  
more than this—few can give you as much.

The Louisville Herald, apart from its general news value, thoroughly covers the  
financial world, and keeps you fully informed as to the daily fluctuations on all  
marketable commodities. News of the worlds of sports is more than a tabula-  
tion of sporting events, as compiled for The Herald's sport page.

The Louisville Herald contains more features of general family interest than we  
have space to specify in the short space of this advertisement; but we will say  
this much, that there is something of interest to every member of your family  
in every issue. We will, if you are unfamiliar with The Herald, gladly send you  
a sample copy on request. We would suggest that in order to protect yourself  
against a raise in subscription price for the coming year, that you give your  
order to your local agent now; if there is none in your town, send in the coupon  
below.

## NEWS FROM LAY

Ben Girdner has lately had his  
teeth removed and says it has im-  
proved his looks.

Elihu Matlock, the timber cutter,  
has gone to Jellico, Tenn., where he  
will spend a few days with his folks.

G. R. Sheuton and Lee Miracle  
were expected to be here today to  
make things look pleasant again but  
therewas too much water.

W. H. Bays, the merchant, says  
if work does not get better he is  
going to start up a sawmill.

High wind here Saturday and an  
oil drummer lost a \$7.00 Stetson in  
the back water. Pascal West tried  
to get it and lost his own. We hope  
they had others at home.

Note—Please send in your name  
so we may put you on the mailing  
list.

## HI-LAND PARK NEWS

Mr. Jerry Philpot has returned

home from Smith Grove.

Mrs. Shelby Allen, of Manchester,  
has moved into Chester Peters'  
house here.

Mack Burnett and Miss Mayme  
Hammons, of Girdler, were visiting  
Mrs. John Philpot Saturday.

Mrs. Cleo McDonald visited her  
mother, Mrs. Jackson, of Cannon, last  
week.

Misses Mamie Hammons, Mae  
Burnett, Myrtle Mills and Nannie  
Hammons were visiting Mrs. Carrie  
Philpot Sunday.

Miss Ethel Valentine and her brother  
Caleb spent Sunday with Mrs.  
Nannie Valentine.

Miss Dolly Bunch, of B. B. I.  
was visiting Miss Maud Patterson  
Sunday.

Mrs. Walter Coury has been very  
ill but is improving.

Miss Hazel Jones, of B. B. I. spent  
Sunday with her brother, Dutt Jones

Miss Bessie Jones is attending  
school here.

Miss Mattie Cox spent Sunday  
night with Miss Hazel Mays.

Mrs. Sam Peters and son Earl  
have been visiting friends at Mount  
Sterling, Ky.

Jim Downey and wife, of Emanuel  
are spending a few days with their  
daughter, Mrs. Coury.

## Chamberlain's Cough Remedy.

Before using this remedy for a  
cough or cold you may wish to know  
what it has done for others. Mrs.  
O. Cook, Macon, Ill., writes, "I have  
found it gives the quickest relief of  
any cough remedy I have ever used."  
Mrs. James A. Knott, Chillicothe,  
Mo., says, "Chamberlain's Cough  
Remedy cannot be beat for coughs  
and colds." H. J. Moore, Oval, Pa.  
says, "I have used Chamberlain's  
Cough Remedy on several occasions  
when I was suffering with a settled  
cold upon the chest and it has al-  
ways brought about a cure." — Adv.

Dean G. M. Ryder is proving such a splendid revivalist at the M. E. Church that there is a movement on foot to extend the work to the Court House and the Church is looking for fifty good men to get behind the revival and push. There are surely that many righteous ones in Barbourville. Get behind your church and push or get in front and lead.

#### Mrs. Bowen Tells How Rats Almost Burned Her House Down

"For two months I never went in our cellar, fearing a rat. One night in bed I smelled fire. Sure enough the rat had been nibbling at the matches. If I hadn't acted promptly my house would have been burned. RAT-SNAP killed it. It's great stuff." Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Wilson Bros and the Costello Drug Co. — Adv.

#### HEADING BACK APPLE TREE

Time to Begin Work When Tree Has Reached Height of 18 or 20 Feet, Which Is Limit.

When an apple tree has reached a height of 18 or 20 feet it is time to begin heading back. This height is about the limit up to which good spraying can be done, and picking becomes more hazardous in trees allowed to exceed it. It is better to limit the height of the tree than to let it grow higher for a few years and then cut back. The cutting back should be made on wood three or four years old and just above strong lateral branches which can supply sufficient leaf surface and bearing wood. If old trees have been neglected and allowed to grow with little or no pruning for a number of years heading back can best be done by degrees, pruning back part of the top one year and completing the rest of the work the next.

#### FIRST FEEDING FOR CHICKS

Nothing Should Be Given for 48 Hours, Then Some Grit, Water and Boiled Egg.

Let the chicks go unfed for 48 hours, then give a little grit and some fresh water. Let the first feed be finely crumbled boiled egg, bread crumbs or some good and tested prepared chick feed. Don't moisten with water, but use a little sweet or buttermilk. Feed scantily at first. It is all right, however, to feed often. For the next feedings a little fine grains, such as prepared oats, cracked wheat, etc., scattered in the litter will give a little needed exercise. If beef scrap is fed wait to give this until the little fellows are a week or ten days old.

#### PUREBREDS ARE IN DEMAND

Market is Expected to Be Materially Improved in Next Few Years, Breeders Believe.

The general feeling among the leading breeders of beef cattle is that the demand for purebred breeding animals will not only continue, but be materially improved for the next few years. This is based upon the extremely high prices being paid for market cattle, the desire—the necessity—to improve the herds of the country generally and the acute scarcity of good cattle.

**SALESMEN WANTED**—to solicit orders for lubricating oils, greases and paints. Salary or Commission. Address THE LENOX OIL AND PAINT CO., Cleveland, O. 11-21

Is Your

# BLOOD

ALL RIGHT?

Blood is life. When its current slows down and its waters become polluted, the stream flows not along the shores of health, but through the land of disease. To purify the blood, energize the liver, keep the bowels and kidneys active, properly there is an old doctor's prescription, in use for 67 years, made by the THACHER MEDICINE CO., Chattanooga, Tenn., sold at your drug store. Try it for your family.

"DR. THACHER'S LIVER and BLOOD SYRUP helped me when everything else failed. I consider it an invaluable medicine for constipation, skin and blood diseases and biliousness."—Mrs. W. G. Green, Tenn.

and BLOOD SYRUP

#### PERSONAL MENTION

Friends of Charley Mills will regret to hear that he is suffering with some kind of hip trouble. He left Saturday for Louisville where he will take treatment at the Norton Infirmary.

W. M. Dishman, temporarily a resident of Colombia, South America, is now in New York on business connected with the Colombia oil fields. He was joined there by Dr. Ed Dishman and J. A. McDermott.

J. H. Slusher, the progressive merchant of Flat Lick, was here Monday with his charming family, all of whom were very busy sipping fruit juices thru straws, following the excellent example of their dad.

Mr. Bradshaw, photographer, of Harlan, will open a studio in the former Lay Photographic Studio in the Parker Building, February 1st. He is a first class photographer and should do well in Barbourville.

Union College Girls Basketball Team was very much disappointed Tuesday afternoon when the Maryville, Tenn., girls team failed to materialize for the game. Perhaps they got cold feet.

The satisfactory eye work done by J. Efron, O. D. has led to a request by a number of people of London, Ky., that he visit that town from time to time so they may have the benefit of his skill.

Miss Trabue, of B. B. I., suffered a very painful accident while on her way home from sewing club Tuesday week, when she slipped and fell twisting her foot and loosening the ligaments from the bones in the ankle and foot.

R. R. Wheeler, prominent coal operator of Brush Creek, was here Monday to ride the Masonic camel over the burning sands. And the camel's all lumpy, and lumpy, and dumpy — any old shape's good enough for him.

Lost—Last Monday week, probably on Knox Street, from the watch pocket of A. J. Mitchell, Knox St. Barbourville, Ky., \$55, consisting of two twenty dollar bills, one ten and one five. If found, please return to Mr. Mitchell. Liberal reward.

The Barbourville Ice Company is giving its plant a general overhauling and repairing to be ready for the ice season. A. D. Smith says he wants to try to make up for the advance in manufacturing price by general efficiency at the plant.

Mrs. L. A. Campbell, of Indian Creek, who died Saturday the 24th, was interred in the Brown graveyard, Monday, January 26th, Rev. C. H. Peck conducting the funeral service. A husband and several children survive.

Among the visitors to the M. E. Quarterly Conference and the meeting of Union College Board of Education this week are Revs. J. M. Litrell, of Covington, W. W. Shepherd, of Wilmore, and E. R. Overly of Newport.

Little Miss Ruth Hawn, assisted by her sister Catherine Hope, entertained a few friends to a little dinner party on last Thursday in honor of their cousins from Oklahoma, Misses Virginia and Kate Sampson Caudill.

Fred Hemphill, who has been working as operator on the linotype of the Georgetown newspaper has accepted a position with the Somerset Commonwealth. He spent a few days with his family in Barbourville.

Miss Dorothy Decker entertained her cousins at a birthday party last week. The birthday cake was in evidence with two candles. Those present were, Miss Evelyn Black, Masters Richard Golden, Joe Edwards, Ben Edwards, Misses Gene and Dorothy Decker.

Mrs. R. B. Minton entertained Wednesday with an afternoon tea in honor of Mrs. W. S. Nicholson, of Etowah, Tenn. Those present were Mrs. W. S. Hudson, Mrs. Jas. Miles, Mrs. L. M. Cole, Mrs. Elbert Evans and Mrs. W. S. Nicholson.

Mrs. R. L. Caudill and children left Wednesday for their home in Oklahoma after spending a month here at the old home. Mr. F. R. Barner has joined his daughter in making this trip west for his first visit to Oklahoma. He said if he had money enough he might buy a farm before he returned.

Last week the newest son of Mr. and Mrs. J. Frank Hawn, who has all the charm of his mother and the pleasing smile of his father, took Mrs. J. R. Murphy and Miss Anna Stewart out for an auto ride. However, he permitted Mrs. Murphy to do the steering, Miss Anna to tell him "what a lovely sing he vas," while he gurgled. The way the women spoil a feller is awful.

**JOHN WHITE & CO.**  
LOUISVILLE, KY.

Liberal assortment  
and full value paid  
for **FURS**  
Hides and  
Goat Skins

W. N. Epperson, of Girdler has 20 head of Southern sheep which are doing splendidly. Mr. Epperson says sheep do fine in this section and pay well. He says sheep make the best paying stock on the farm and lands a regular sale for them and for the wool. We need more sheep in Knox County.

The tide caused by the excessive rains last week was not as high as last year, but has contributed to the excitement of the city by the moving of stock etcetera. It has been necessary to use boats in various sections. The water was high enough to cover the garden at the back of The Advocate office.

J. W. Tatum, the popular Remington Typewriter agent, has been appointed to take of the Knoxville office and territory. This is a deserved promotion as Mr. Tatum is one of those cheerily, tenacious fellows who stays with a prospect until he lands him. Mr. Lamond will take charge of this territory.

Mrs. G. M. Richards kept open house Monday evening for a few friends who brought their sewing and spent a couple of delightful hours visiting and partaking of plum pudding and coffee. Those present were Miss Fields, Miss Hawkins, Mrs. W. B. Minton, Mrs. Fred Burman, Mr. and Mrs. J. M. Tinsley and Mr. and Mrs. Richards.

Bart S. Reid was taken ill the end of last week with a severe cold and on this account, he was unable to carry out his advertised program for a Thrift meeting Friday night. However he did some good work among Barbourville school and college students during the week and started a Thrift essay campaign among the children of the County. We have to hand it to Mr. Reid that he is a rustler and knows how to go to work for results.

#### PUZZLING DISCOVERY

SEATTLE Wash., Jan. 15.—Alfred M. Hubbard, 19-year-old Seattle boy, has done one of two things: Either he has successfully captured the electrical power of the universe in an easily carried twelve pound apparatus not based on any known form of generator—revolutionizing the world's machinery and turning civilization upside down—

Or he has constructed a mechanical hoax that baffles the guessing abilities of the cities foremost electricians.

Hubbard's invention, which he insists is an actual "atmospheric generator," with no hocus-pocus about it, was taken miles away from his home laboratory. With a group of expert electricians observing the test an ordinary electric lighting globe was attached to the wire terminals.

The light glowed cherry red for a good hour. Hubbard offered to lengthen the test as many hours as anyone required, by way of proving it wasn't a storage battery, but was making its own electricity minute by minute. His own claim is that the instrument will continue to produce electrical current indefinitely, or until the insulation rots from the wires.

Owing to the incomplete state of the patent, Hubbard refused to permit an examination of the internal workings of the device.

If Hubbard has done what he claims, with a machine weighing only twelve pounds, he has done these things too:

He has "scrapped" every gas and steam engine in the world.

He has put every big power corporation out of business by enabling every home to light and heat itself.

He has put every farm on a self running basis at no cost whatever for the power.

He has perpetuated the energy supply of every manufacturing plant, railroad, steamship, constructive works in the world.

He has rendered fuel useless putting coal mines and oil wells out of business at one stroke.

If an instrument half a foot long produces enough power to make a bulb glow, then one eighteen feet long will drive the world's largest steamship. Automobiles will speed along with engines smaller and lighter than the present ones, getting their power from the air as it rushes by.

That is—if the instrument is a real "atmospheric generator."

—Exchange.

#### Quick Cure for Croup.

Watch for the first symptom, hoarseness, and give Chamberlain's Cough Remedy at once. It is prompt and effectual. — Adv.

#### FATHER AND SON WEEK

Thousands of towns, both small and large, in the United States in the week of February 16-22 will touch one of the vital spots both in the boy life and the home life of the community by the observance of "Father and Son Week;" the distinctive feature of this week's program being a "feed" where the boy finds his own atmosphere but, to his delight and amazement, it will include the presence of his dad.

Early in the nineties the Y. M. C. A. movement originated this scheme of bringing out the value of chumship of the father with his boy by merely using the power of fellowship that is generated at a banquet. It has worked so well so many times since then that it is now made the subject of an annual State Proclamation by the Governor.

Last year there were more than seven thousand fathers and sons who sat down together at a community event of this kind in Kentucky. In many places the Sunday night following was used by pastors to preach sermons to the boys and the men, giving a spiritual emphasis to this fellowship. It is planned that there will be as many as ten thousand boys and fathers meet together with in this week this year.

#### HAS WILLIAMSBURG FOUND THE SAME?

The Answer is Found in the Straight Forward Statement of a Williamsburg Resident.

We have been reading week after week in the local press of Barbourville citizens who have been rid of distressing kidney and bladder troubles by Doan's Kidney Pills, and we have often wondered whether the same high opinion of this medicine is to be found in our neighboring towns. This frank and earnest statement by a well-known and respected citizen of Williamsburg will set this doubt at rest.

L. E. Martin, plumber, River St., Williamsburg, Ky., says:—"My kidneys were too free and they acted irregularly. I suffered from a soreness and dull ache across my back. I used Doan's Kidney Pills, and they relieved the ache in my back and regulated my kidneys."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Martin had. Foster-McBarn Co., Mfrs., Buffalo, N. Y. Adv.

Subscribe for the Advocate.

#### B. B. I. NOTES

Mr. Bryan Sasser has been elected a teacher in the B. B. I.

Several new pupils enrolled for the second month of school.

Miss Trabue is suffering from a badly sprained ankle.

The students met and organized a Literary Society Tuesday night with Clarence Davis, president, J. Leger, secretary, Joe West, chaplain and Beatrice Hughes, pianist.

The Ten Cent Social was a great success, a good crowd attended, they had a real nice time and the Athletic Association realized \$23.50.

#### NOTICE

The Annual Meeting of the Stockholders of the Barbourville Cemetery Company will be held in the Directors room in the National Bank of John A. Black Building on Saturday February 7th, at 1 o'clock P. M. All lot holders are requested to be present.

# Great Things Planned For Famous Old Transylvania

College of Bible and Hamilton College Included in Kentucky Disciples' Forward Step to Enlarge the Equipment of these Noted Institutions of Learning at Lexington

For the maintenance of its rightful place, so long occupied among America's leading educational institutions, historic Transylvania, Lexington, Ky., is to unite with the Disciples of Christ of the State, and its thousands of friends throughout the country, in a vigorous campaign for the imperative enlargement of its equipment and for

Main Building.

an adequate compensation of its faculty. The College of the Bible, for the training of men and women for the ministry, and Hamilton College, the Junior College for Women, will share in this campaign, which is to be conducted as a part of the Interchurch World Movement.

Up to the time of the starting of the Interchurch World Movement financial drive, Transylvania and its friends will conduct a campaign of education, in order that the present needs of these institutions may be so well understood that every one will be glad of the opportunity of sharing in their support.

One of the first needs of the institution is a fire-proof building to house its priceless

Transylvania, the Pioneer College of the West, 1785.

library, worth more than a hundred thousand dollars, and which if destroyed by fire could not be replaced. Another aim is the increase of the salaries of the professors to a living standard, making it possible to hold its present faculty, and to command the very best available material for increasing its teaching force. Another aim is the continuance of the progressive policies so long maintained by this historic college.

Many other first rank colleges throughout the country have already taken steps to avert a crisis in educational affairs. With the increased cost of everything, it is absolutely impossible for institutions of learning to exist on the basis of former support.

There is also a widespread conviction of the necessity of the maintenance of the college under distinctive Christian influence. An investigation made a few years ago revealed these significant facts:

Eight of the nine Justices of the Supreme Court of the United States were college men; seven of the eight were educated in Christian colleges. Eighteen of the twenty-six Presidents of the United States were college men; sixteen of the eighteen were from Christian colleges.

Eighteen of the twenty-six recognized masters in American Letters were college men; seventeen of the eighteen were from Christian colleges. Of the members of Congress in 1905 who had received a college education, and who were products of Transylvania, achievements gave them a place in "Who's Who in America," two-thirds were graduates of church colleges.

Transylvania and the College of the Bible have educated one president, two vice-presidents, the president of the Southern Confederacy; also secretaries of state, treasury, postmaster-general, attorney-general, scores of United States senators and congressmen; a Speaker of the House; ministers to many foreign countries; governors of a large number of states; mayors of large cities; authors of national and international reputation; physicians and surgeons of world-wide fame; and thousands of ministers and missionaries of the Christian religion.

Dr. Richard H. Collins, the historian of Kentucky, characterized its graduates "as statesmen, jurists, orators, surgeons and divines among the greatest in the world's history—men of mark in all the professions and callings of life."

Dr. Richard H. Collins, the historian of Kentucky, characterized its graduates "as statesmen, jurists, orators, surgeons and divines among the greatest in the world's history—men of mark in all the professions and callings of life."

Dr. Richard H. Collins, the historian of Kentucky, characterized its graduates "as statesmen, jurists, orators, surgeons and divines among the greatest in the world's history—men of mark in all the professions and callings of life."

## ROOSEVELT MEMORIAL

Mrs. S. Thurston Ballard, of Glenview, Chairman for Kentucky, for the Woman's Roosevelt Memorial Association, has just received from Mrs. John Henry Hammond, President of the Association, the following statement outlining its aims and purposes:

"The Woman's Roosevelt Memorial Association is a national organization of American women which is to restore the birthplace of Theodore Roosevelt in New York City. The Association was started almost immediately after Colonel Roosevelt's death with a permanent object in view. Later the Roosevelt Memorial Association was formed but at no time has it been connected in any way with our Association. Unfortunately there has been some confusion in the mind of the public owing to the similarity of the names of the two organizations. While both Associations are, I am sure, entirely sympathetic with the purposes of each other, it is important for the public to know they are entirely separate and distinct.

"The Woman's Roosevelt Memorial Association has from the first a definite plan, namely:—the restoration of Theodore Roosevelt's birthplace. The site of his birthplace and the adjoining property on East 20th Street have been purchased and completely paid for. An architect has been selected and the work of rebuilding and refurbishing the structures as they originally stood will be carried on actively this year. It is for this definite purpose that the Woman's Roosevelt Memorial Association, independent of any other organization, plans to ask the American people, especially the women of the country, for funds to complete this work and to provide sufficient endowment for its upkeep and operation as a shrine of Americanism which people from the entire country will visit in increasing numbers as the years go on.

"Just as the women of America restored Mount Vernon and assisted in the restoration of Lincoln's birthplace at Hodgenville, Kentucky, they have now set out on this definite plan. In order, therefore, that this work might always be connected with the women of America, our Association was incorporated as the Woman's Roosevelt Memorial Association."

Mrs. Sawyer A. Smith has charge of the gifts in this country and the fund is still open for those who may still want to add their bit to this good cause.

## I AM GLAD TO ENDORSE PE-RU-NA

Glad to Try Anything  
"Three years ago my system was in a terribly run-down condition and I was broken out all over my body. I began to be worried about my condition and I was glad to try anything which would relieve me. Peru-na was recommended to me as a fine blood remedy and tonic, and I soon found that it was worthy of praise. A few bottles changed my condition materially and in a short time I was all over my usual. I owe my restoration to health and strength to Peru-na. I am glad to endorse it."

## Convalescents Build Up On Pepto-Mangan

Increases the Supply of Rich Red Blood—Restores Strength and Vigor

Physicians Recommend It

Sold in Liquid and Tablet Form—The Name "Gude's" the Guide to Genuine Pepto-Mangan

A serious illness such as influenza or other infectious disease always leaves the body with low vitality, lack of strength and impoverished blood.

Gude's Pepto-Mangan aids convalescents to a quick recovery, for it creates a generous supply of rich, red blood and restores the body to its normal, healthy condition.

That's why physicians recommend Pepto-Mangan, for they know that it imparts to the blood the material so sorely needed by weak, run-down systems.

Pale, sallow, thin, easily-exhausted men and women find that Pepto-Mangan builds them up wonderfully. A new supply of rich red blood is created, which in turn imparts the glow of health to the cheeks, increases the appetite, the eyes sparkle, the entire system takes a new lease of life.

Pepto-Mangan is obtainable in liquid or tablet form, whichever proves most convenient. Both forms possess identical medicinal qualities. There is but one genuine Pepto-Mangan and that is "Gude's." Ask your druggist for "Gude's" and look for the name "Gude's" on the package. If it is not there it is not Pepto-Mangan.

U. S. Government Warns Farmers About Disease Caused by Rats

They carry Bubonic plague, fatal to human beings. They carry foot and mouth disease which is fatal to stock. They kill chickens, eat grain, cause destruction to property. If you have rats RAT-SNAP will kill them. Cremates rats after killing them—leaves no smell. Comes in cakes, ready for use. Three sizes. 25c, 50c, \$1.00. Sold and guaranteed by Wilson Bros. and Costello Drug Co. — Adv.

## MISS MARY L. JONES DEAD

When the golden sun had sunk behind the western hills, and the shades of night were falling, God in His infinite wisdom, "who doeth all things well," sent a death angel Friday, January 16th, 1920, at five o'clock, p. m. to claim as its own, Miss Mary L. Jones, Barbourville, the daughter of Lucy Jones. She is survived by three brothers, mother, two sisters and a host of relatives and friends.

Miss Jones confessed a hope in Christ in early childhood days and united with the A. M. E. Church of which she was a consistent member until the eve she passed away to the land of celestial bliss to live with Jesus. No doubt her favorite song came to her, "Safe in the Arms of Jesus, Safe on his Gentle Breast. There by His Love o'er shadowed. Safely my soul shall rest."

Long before Miss Jones' illness came, she was often found repeating a part of her favorite passage of Scripture, "Yea, tho I walk thru the valley of the shadow of death, I will fear no evil; for thou art with me; thy rod and thy staff they comfort me."

In her last days when pain was torturing her body, she was perfectly reconciled that Jesus Christ was her Great Physician. She, too, like Job, bore her suffering with patience.

Miss Jones left home Jan. 14th for Middlesboro hospital where she was operated on Friday the 16th. She lived about five hours after the operation. She had often told her sister, Mrs. Etter, should she not return home she was perfectly willing and ready to die. Her last words to friends and relatives Wednesday morning were, "Pray for me."

Miss Jones is only sleeping, yes only waiting for the great resurrection trumpet to sound when the dead in Christ shall rise.

She like the Apostle Paul, has lived out her allotted time, "For I am now ready to be offered, and the time of my departure is at hand. I have fought a good fight, I have finished my course I have kept the faith." A FRIEND.

Costello Drug Co. Barbourville, Ky.

## TO THE MEN OF AMERICA

You talk of your breed of cattle, And plan for a higher strain, You double the food of the pasture, You heap up the measure of grain; You draw on the wits of the nation, To better the barn and the pen; But what are you doing, my brothers To better the breed of men?

You boast of your Morgans and Herefords, Of the worth of a calf or a colt, And scoff at the scrub and the mongrel, As worthy the fool or the dolt; You mention the points of your roadster, With many a "wherefore" and "when," But ah, are you conning, my brothers, The worth of the children of men?

And what of your boy? Have you measured His needs for a growing year? Does your mark as his sire, in his features, Mean less than your brand on a steer?

Thoroughbred—that is your watchword, For stable and pasture and pen; But what is your word for the home-stead?

Answer, you breeders of men!

By Rose Trumbell, Scottsdale, Ariz.

These are the words of James Buxton, N. J.: "Ever since I tried RAT-SNAP I have always kept it in the house. Never fails. Used about \$3.00 worth of RAT-SNAP a year and figure it saves me \$300.00 in chicks, eggs, and feed. RAT-SNAP is convenient, just break up cake, no mixing with other food." Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Wilson Bros. and the Costello Drug Co. — Adv.

If you like the Advocate, tell others. Costs \$1.50 a year.

A Timely Help  
The face is often the first to betray a decline in strength. When you feel rundown and your face is colorless, the need for

Georgia is trying to increase its swine industry.

Georgia is going in for crop rotation and the state is in fine condition financially.

Virginia farm lands are increasing in value constantly.

Several new dairies have been established in Arkansas.

Mississippi is setting out many peach and fruit trees in the orchards.

North Carolina reports general rot of sweet potatoes which were banked

Mississippi cattle are thin, due to overflows which destroys pastures. North Carolina grazing not so good due to lack of rain fall.

## OIL LEASES

The Mountain Advocate has oil lease blanks on hand. Can be supplied in any quantity.

## TERRIFYING DISCOMFORTS FROM SKIN DISEASES

### Itching and Burning Eruptions Torture Victims.

If your skin seems ablaze with the fiery, burning and itching of Eczema, real and lasting relief can only come from treatment that goes below the surface—that reaches down to the very source of the trouble. Skin-diseases come from a disordered condition of the blood, and search far and near,

you cannot find a blood remedy that approaches S. S. S. for real efficiency. S. S. S. has been on the market for fifty years, during which time it has been giving uniform satisfaction for all disorders for which it is recommended. If you want prompt relief, you can rely upon S. S. S. For expert advice as to the treatment of your own individual case, write to-day to Chief Medical Adviser, Swift Specific Co., Dept. 44, Atlanta, Ga.

I have installed an up-to-date X-Ray Machine for the examination of teeth which may be causing Rheumatism, Heart Trouble, etc. A. L. Parker, Dentist, Barbourville, Kentucky. 10

## A TEXAS WONDER

For kidney and bladder troubles, gravel, weak and lame back, rheumatism and irregularities of the kidneys and bladder in both men and women. It not sold by your druggist, well be sent by mail on receipt of \$1.25. One small bottle, often cures. Send for sworn testimonials. Dr. E. W. Hall 2926 Olive St., St. Louis, Mo. Sold by druggists. —Adv. 48-521

Miss Laura Hayes, whose confections in chic clothing and hats are the delight of our Barbourville ladies leaves Sunday night for Louisville and Cincinnati to buy her spring millinery.

Sawyer M. Smith, who has been working first trick as operator for the L. & N. at Chad, has been transferred to Barbourville, his old home, where he will have third trick.

Dr. Pick, of Knoxville, Tenn., and Dr. Anderson, of Manchester, were here visiting Mr. Toulmin Garrard over the week end, Mr. Garrard having been seriously ill.

Charlie Burnett, who is being raised by Rev. W. N. Epperson, of Girdler, and Mr. Epperson's little grand daughter, Edith Steward, are both recovering nicely following an attack of pneumonia.

T. H. Hayden, of the genial Irish smile, was here from Artemus Monday, drinking the palate pleasing drinks of today, ably assisted therein by his son-in-law Guy L. Dickinson, and other friends.

Rev. C. P. Miller, of Warren, who was hurt in the mines some weeks ago, is able to move the fingers of his hand which, with the arm, was badly mashed up, and hopes in time to have fair use of it.

Mr. and Mrs. George M. Jackson of Cannon, Ky., have purchased the beautiful residence of H. H. Owens, in Hi-Land Park, and will soon remove to this place to make their future home.

The many friends here of Judge and Mrs. F. D. Sampson have received announcements of the marriage of their daughter, Pauline Steele, to Mr. Richard Earl Gerrish at Miami, Florida, January 15th.

## Trying to Test

your own eyes with ready-made glasses is no way to help troubled eyesight. A person may pick up a pair of glasses that to them seem O. K. for reading purposes, but if they have that condition known to the profession as Astigmatism, they may be unconsciously doing themselves a personal injury. It has been said that "Seeing is Believing", therefore, it follows that if you want to "Believe Right" you must "See Right." Good Eyesight and Perfect Vision are among life's most treasured Blessings, and those who do not enjoy this in its fullness are in great need of professional attention. Let me examine your eyes scientifically and prescribe the necessary lenses if needed, or advise you what should be done.

### Cured at a Cost of 25 Cents

"Eight years ago when we first moved to Mattoon, I was a great sufferer from indigestion and constipation," writes Mrs. Robert Allison, Mattoon, Ill. "I had frequent headaches and dizzy spells, and there was a feeling like a heavy weight pressing on my stomach all the time. I felt miserable. Every morsel of food distressed me. I could not rest at night and felt tired and worn out all the time. One bottle of Chamberlain's Tablets cured me and I have since felt like a different person. — Adv.

### A Rat Breeds 6 to 10 a Year, Averaging Ten Young to a Litter

Remember this, act as soon as you see the first rat. Get a pkg. of RAT-SNAP. It's a sure rat and mice destroyer. It's convenient, comes in cake form, no mixing. Mummifies rat after killing—leaves no smell. Cats or dogs won't touch it. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Wilson Bros. and Costello Drug Co.—Adv.

## Equip Your Small Car With Goodyear Tires

If you own a Ford, Chevrolet, Dort, Maxwell or any other car using 30x3, 30x3 1/2, or 31x4-inch tires, you can well take advantage of the high relative value built into all Goodyear Tires.

You can well do so because you can secure in the small Goodyear Tires the results of such skill and care as have made Goodyear Tires the preferred equipment on the highest-priced automobiles of the day.

You can well do so because these small Goodyear Tires are easy to obtain, being produced at the rate of 20,000 a day, and because their first cost usually is as low or lower than that of other tires in the same types and sizes.

Go to the nearest Goodyear Service Station Dealer for these tires, and for Goodyear Heavy Tourist Tubes. He supplies many other local owners of small cars.

30x3 1/2 Goodyear Double-Cure \$20.00  
Fabric, All-Weather Tread  
30x3 1/2 Goodyear Single-Cure \$17.65  
Fabric, Anti-Skid Tread

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3 1/2 size in water—\$3.90 proof bag.

# MANY PEOPLE REPORT BIG GAINS IN WEIGHT

THOUSANDS OF THIN, FRAIL  
PEOPLE RESTORED TO  
HEALTH BY TANLAC

## MANY REMARKABLE EXPERIENCES TOLD

People in all Ranks of Life Tell  
What Celebrated Medicine Has  
Done for Them.

ONE of the most noteworthy features in connection with Tanlac and the one that stands out more prominently than any other, perhaps, is the very large number of well-known men and women from all parts of the country who have recently reported astonishing and rapid increases in weight as a result of its use.

When so many well-known people of unquestioned integrity make statement after statement, each corroborating the other, the truth of such statements can no longer be doubted.

Thousands have testified that this famous medicine has completely restored them to health and strength after every other medicine and the most skilled medical treatment have failed.

One of the most remarkable cases on record is that of Mrs. Viola Ives, of 315 Cross Street, Little Rock, Ark., whose statement appears below:

"In May of 1913," said Mrs. Ives, "I suffered a complete breakdown of my nerves and my entire system gave way. About six weeks afterwards I was carried to the hospital. I became perfectly helpless—could not move any part of my body and just lay there in bed for five months, not knowing anything or anybody. I was brought home in October, 1913 and tried all kinds of medicine and everything I was told about.

"I read about so many people getting relief by taking Tanlac and my husband got me a bottle. After taking three bottles I began to feel better. I have taken several bottles of Tanlac now and I can walk anywhere and sleep like a child. When I took my first dose of Tanlac I weighed only one hundred and twenty-two pounds. I now weigh one hundred and sixty-two—an actual gain of forty pounds since I started on Tanlac."

### Texas Man Testifies.

Another remarkable case was that of Mr. John M. Crabtree, a general merchant of Five Mile Station A., Dallas, Texas:

"I have actually gained thirty-four pounds on three bottles of Tanlac and I now know what it is to enjoy good health after suffering for twenty years," said Mr. Crabtree. "I suffered with catarrh of the stomach and indigestion for twenty years and for eighteen months, before I started taking Tanlac, I had to live almost entirely on cereals. I spent nearly all of one whole year in bed and was unable to do anything at all and I fell off in weight to 118 pounds.

"After using my third bottle of Tanlac I found I had increased in weight from 118 pounds to 152 pounds, making an actual gain of thirty-four pounds—all my troubles were gone, and I was feeling like another man."

Captain Jeff D. Riggs, popular Y. & M. V. engineer, running between Vicksburg and New Orleans and residing at 2020 Pearl Street Vicksburg, in speaking of his experience with Tanlac said: "Yes, sir, it's an actual fact, I have gained twenty-five pounds on Tanlac."

"When I began taking the medicine," continued Captain Riggs, "I was simply a nervous and physical wreck and had dropped down in weight from one hundred and forty to one hundred and ten pounds.

"I have just finished my second bottle of Tanlac, have gained twenty-five pounds and I feel like a new man."

### NEW BEEHIVE FACTORY

Are you a bee-keeper? Then you will be interested in the fact that J. W. Jordan has started a beehive factory near the depot. He has everything in but the engine and that is on the way. When it arrives work will begin at once.

Mr. Jordan will make hives, raise queen bees and handle bee supplies. Later on he will ship honey.

His son, V. A. Jordan, is a bee fancier also and, as such, grew that great bee pleasing and honey furnishing plant known as sweet clover on his place last year. He brought some to town last year, the shortest stalks of which measured twelve and one-half feet, there being seven stalks on one stool. This was on

## MRS. CHAS. PEDEN GAINS 27 POUNDS

WAS TWICE EXAMINED AND  
TOLD OPERATION WOULD  
BE HER ONLY HOPE

"I HAVE just finished my third bottle of Tanlac and have gained twenty-seven pounds," was the truly remarkable statement made by Mrs. Charles Peden, residing at 550 Mill Street, Huntsville, Ala.

"When I commenced taking the medicine," she continued, "I only weighed ninety-eight (98) pounds; now I weigh 125 pounds, and never felt better in my life. For years I have suffered with a bad form of stomach trouble, constipation and pains in my side and back. At times the pains took the form of torture, and I was twice examined and each time I was told that I had appendicitis and that an operation would be my only hope.

"I had made all preparations for the operation and called in my sister to tell her good-bye, as I did not know whether I would live to see her again or not. My sister begged and pleaded with me not to allow them to cut on me and told me to wait and try a good tonic for awhile. The next day as I returned from the consultation room, I thought of what she had said, and as I had heard so much about Tanlac, I decided to try it and got a bottle.

"I never returned for the operation, but just kept taking the Tanlac. Right from the start I began to feel better. The medicine seemed to take hold right at once.

"I was so happy over the wonderful improvement in my condition that I sent for my neighbors to tell them how much better I felt. I sent and got another bottle of Tanlac, and have just finished taking my third bottle and feel as if I have been made all over again into a new woman."

### Old-Timer Engineer Talks

Engineer Chas. J. Weeks, who runs the Seaboard Air Line fast train "Fox" between Jacksonville and Tampa, bears the distinction of being the second oldest engineer in point of service with this road, having been with the company for thirty-five years.

"I have gained twenty pounds on seven bottles of Tanlac and feel as well and happy as I did when a boy," said Mr. Weeks. "For twenty years I suffered with nervous indigestion of the worst sort," he continued, "and at times during the past fifteen years I didn't think I would last much longer. To tell you the truth, I finally reached the point where I didn't much care whether I lived or died."

Thousands of other people all over the country have reported the same astonishing gains in weight after taking Tanlac. Among these are: Mrs. E. O. Wilson, of 197 Baas St., Atlanta, Ga., who gained 25 pounds; Edward Reno, 1721 Broadway, Kansas City, Mo., who gained 25 pounds; Mrs. W. C. Cochran, of Julietta, Idaho, who gained 22 pounds; Mrs. Doll Davis, of 108 Samuel Ave., Peoria, Ill., who gained 30 pounds; Chas. E. Shaffer, 508 W. Charleston St., Portland, Ore., who gained 24 pounds; Mrs. Amelia Mann, R. F. D. No. 2, Ogden, Utah, who gained 25 pounds; W. S. Hukill, 7308 Park Ave., Tacoma, Wash., who gained 20 pounds; Mrs. B. W. Smith, 3113 Bardett St., Omaha, Neb., who gained 35 pounds; Fred W. Saunders, 710 Market St., San Francisco, Cal., who gained 24 pounds and many other too numerous to mention.

Tanlac is sold in Barbourville by Herndon & Payne. Adv.

### EARL MAYHEW IS BUSY

General Outline For Work Of Agent  
Of Clay County.

1.—To organize a County Agricultural Board consisting of from 12 to 20 members of the most influential and progressive citizens of the county. This Board to direct the work and co-operate in carrying out the program. The Board is to meet once a month and hear the monthly report of the County Agent and make plans to further carry out the general program.

2.—To organize at least 20 Junior Agricultural Clubs. Each club to elect its own Leader, President and Secretary. When this has been done the University of Kentucky will grant the club a charter and commission the Leader. Along with the Junior Agricultural Clubs as many Community Clubs as possible will be organized. The purpose of the Community Club is primarily the development of the agriculture of a community, but it may work along any line that is for the betterment of the community. Club members have already been enrolled for these 20 organizations.

3.—To promote the organization of a County Farm Bureau. The purpose of this Bureau is to develop the agriculture of the county and to put it on a more profitable basis.

4.—To carry on a Better Sires—Better Livestock campaign. This is in line with the National Better Sires Better Livestock campaign, the purpose of which is to improve the live stock of the country by the use of better Pure Bred sires. At the present time there is little pure bred stock of the better class in this county. This campaign will induce farmers to use good pure sires to grade up and improve their stock.

5.—To put on a Home Improvement campaign. An effort will be made to reach every home in the county and try to make it a more beautiful and comfortable place to live in. This is to be carried out largely thru the schools.

6.—To push the Poultry Standardization work. Poultry raising is one of the most important farm enterprises of this county. Instruction will be given on better feeding, housing, culling and marketing methods of chickens, geese, turkeys and ducks. An infertile egg demonstration will be held for the country merchant at the end of the hatching season to teach them how to save the market eggs. Culling the Slackers hen demonstrations will be held in the summer.

7.—To direct three tankage feeding demonstrations in the county to get the farmers to supplement corn with tankage.

8.—To get farmers to grow more tobacco. Tobacco is an important cash crop for Clay County. The farmers will be taught better methods of handling it. A Tobacco Grading demonstration will be held early in the fall.

9.—To conduct the following contests in co-operation with the County Superintendent of Schools:—

A.—1000 bushel corn contest among the Corn Club boys. 10 boys growing an acre each, in competition with any 10 club boys of other communities of the county. \$25.00 in gold to go to the community that wins.

B.—Ton of pork contest among the Pig Club members, the boys of one community competing with the boys of all the other communities.

## A Kentucky Woman's Testimony

Lexington, Ky.—"Dr. Pierce's Anuric Tablets I consider the most reliable medicine one can take for bladder weakness or kidney ailments. I had been suffering with bladder weakness and disordered kidneys. I would have to get up several times during the night to relieve myself. I also had severe pains across my kidneys. I saw 'Anuric' (anti-uric acid) advertised and decided to try it. The results have been very satisfactory to me. My bladder trouble has left me, I can sleep all night without getting up, my kidneys have become active and normal and are able to throw off the poisonous matter in the proper way."—MRS. MARY SIMMS, 210 York St.

"Anuric" is bound to give immediate results as it is many times more potent than lithia, in ridding the impure blood of its poisons by way of the kidneys. It can be obtained at almost any drug store, by simply asking for Dr. Pierce's Anuric for kidneys or backache. It will overcome such conditions as rheumatism, dropped swellings, cold extremities, scalding and burning urine and sleeplessness due to constant arising from bed at night.

If you wish to give "Anuric" a trial send Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., ten cents for a trial package, also write for free confidential medical advice.

Flomingsburg, Ky.—"I find I can give as honest testimonial as to the value of Dr. Pierce's Anuric Tablets. They are all that is claimed for them in every way. I was a sufferer from kidney trouble for three years and 'Anuric' (anti-uric acid) cured me, so I know just what it is. I cannot say enough for this medicine. I will answer all who write to me."—ED. PORTER, Box 140, Route 3.

"Anuric" is bound to give immediate results as it is many times more potent than lithia, in ridding the impure blood of its poisons by way of the kidneys. It can be obtained at almost any drug store, by simply asking for Dr. Pierce's Anuric for kidneys or backache. Send the Mountain Advocate to your friends who are away from Barbourville. They will appreciate it.

## Shoulders All Baking Cares

When CALUMET comes in, all baking troubles take quick leave. You go right ahead and mix up baking materials, for biscuits—cakes—anything without fear of uncertainty. Calumet makes you forget failure.

## CALUMET BAKING POWDER

is the most popular because it does give most perfect results. It has the biggest demand, because it is the most dependable. The fact that it is the biggest seller proves that it is the best. A trial will convince you that there is none "just as good." Buy a can—if you are not satisfied take it back and get your money back.

Calumet contains only such ingredients as have been approved officially by the U. S. Food Authorities.

You save when you buy it. You save when you use it.
